2. **Formation of Contract:** No contract between Buyer and Seller shall exist unless and until Seller accepts and acknowledges at its corporate headquarters office located in Stratford, Connecticut, a purchase order submitted by Buyer.
3. **Buyer's Financial Responsibility:** Seller's acceptance for any purchase order submitted by Buyer and Seller's obligations upon such acceptance shall at all times be subject to approval of Buyer's financial responsibility by Seller's credit department. Seller may at any time require payment in advance or satisfactory security, guarantee or assurance that invoices will be promptly paid when due. If Buyer, after demand, fails promptly to pay in advance or to give satisfactory security, guarantee or assurance, Seller shall have the right to withhold delivery or performance of any undelivered portion of the goods or unperformed services, or to terminate the contract as to any undelivered goods or unperformed services, whereupon Buyer shall immediately become liable to Seller for (a) the purchase price of all goods delivered and services performed and (b) any loss suffered by Seller (including loss of reasonable profits) with respect to undelivered goods and unperformed services. If any such undelivered goods shall have been fabricated or produced specially for Buyer, Seller's loss shall be deemed to be at minimum the difference between the full purchase price thereof plus freight, storage and other costs incurred by Seller in connection therewith, less an allowance for the then-current scrap value of such goods as determined by Seller.

Seller shall not be liable for failure to deliver or delays in delivery occasioned by strikes, lockouts, fires, inability to obtain materials or shipping space, equipment breakdowns, delays of carriers or suppliers, governmental acts and regulations, and other causes beyond Seller's reasonable control. If performance by Seller is delayed by reason thereof, Seller shall inform Buyer promptly, and the time for delivery shall be extended for the period of such delay, or at Seller's option, the contract may be canceled without liability to either party.
